PLAINTIFFS' AMENDED MOTION TO
PRELIMINARILY APPROVE CLASS ACTION SETTLEMENT
WITH TARKA AND INCORPORATED MEMORANDUM OF LAW

COMES NOW the Plaintiff and Class Representative James Adams and the Settlement Class ("Plaintiffs"), and amend their Motion for the Court to provide preliminary settlement approval of a class resolution with Tarka Energy, LLC ("Tarka") and the notice plan to Settlement Class Members.

Pursuant to 12 O.S. §2023 E., Plaintiffs and Tarka have negotiated an Amended Settlement Agreement provided as **Exhibit 1** to this unopposed motion.

MEMORANDUM OF LAW

The Plaintiffs and Tarka (the “Settling Parties”) first negotiated a Settlement Agreement, which was filed with the original motion for preliminary settlement approval. Plaintiffs amend the motion because they have more recently negotiated the Amended Settlement Agreement to properly apportion the Settlement Fund and also to accomplish notice to the Settlement Class. **Exhibit 1.**

Under 12 O.S. §2023 E., this Court must determine whether the Settlement is preliminarily fair, adequate, and reasonable. Further, this Court must also determine whether the Class Notice and notice plan is reasonable and appropriate. This memorandum demonstrates the proposed Settlement is deserving of preliminary settlement approval, and the notice plan is appropriate as well.

I: FACTUAL INTRODUCTION

The operative petition alleges that a swarm of seismicity occurring near Pawnee on or about September 3, 2016 through on or about November 14, 2016, was caused by the Defendants’ wastewater disposal operations and devastated properties in Oklahoma. Plaintiffs further contend that science shows that this induced seismicity was part of a sequence of wastewater disposal induced earthquakes that began much earlier, and still occur in present times.

Further, within the settlement the parties are also resolving several individual and related actions involving this seismicity near Pawnee, and alleged induced seismicity in other areas in Oklahoma. Within the Settlement Agreement, all earthquakes, foreshocks, and aftershocks arising from the 5.8m earthquake near Pawnee on September 3, 2022, and all earthquakes within Oklahoma, from April 16, 2013 until the Settlement is approved by this Court and receives finality are being resolved.

Plaintiffs allege that these sequences of earthquakes near Pawnee and other areas of Oklahoma did not occur naturally, but instead were caused by wastewater disposal operations nearby and caused Plaintiffs to suffer continuing damages. Tarka disputes all of these allegations.

However, this proposed class resolution resolves all the issues and claims between the Settling Parties, and provides \$375,000.00 in cash relief to the Settlement Class. The Settlement Class is defined as follows:

The Class Representative, Plaintiffs, and all persons, municipalities, county governments, or tribal governments, who own or owned real property within the borders of Oklahoma or have or had a property interest therein between April 16, 2013 through the Effective Date (the "Settlement Class Period"), and which suffered earthquake damages from any earthquakes, foreshocks, or aftershocks occurring within the State of Oklahoma during that time period.

Excluded from the Settlement Class are the following:

- a) Any of the Settling Defendant or its owners, directors, officers, employees, and/or agents, the judge presiding over this action and his immediate family members; and,
- b) Any person that timely and properly excludes himself/herself/itself pursuant to the orders of the Court.

II: LAW AND ARGUMENT

Pursuant to 12 O.S. §2023 E., Plaintiffs move for preliminary settlement approval of the Amended Settlement Agreement (or “Settlement”) attached as **Exhibit 1**.

1. The Purpose of Preliminary Settlement Approval.

In reaching settlement of a class action, “[t]he settlement shall first be preliminarily approved by the court.” *Thonen v. McNeil-Akron, Inc.*, 661 F. Supp. 1271, 1279 (N.D. Ohio 1987). The purpose of such a determination is to “determine whether the proposed settlement is ‘within the range of possible approval.’” *Armstrong v. Board of School Directors of the City of Milwaukee*, 616 F.2d 305, 314 (7th Cir. 1980). See also H. Newberg, *Newberg On Class Actions* (3d ed. 1993) §11.25; *Manual for Complex Litigation*, Second §30.44 (1985). As one court observed, “this determination is similar to a determination that there is ‘probable cause’ to think the settlement is fair and reasonable.” *Alaniz v. California Processors, Inc.*, 73 F.R.D. 269, 273 (N.D. Cal. 1976).

2. The Settlement is Preliminarily Fair, Reasonable, and Adequate.

Plaintiffs present this Settlement under 12 O.S. §2023 E., which provides that “the claims, issues or defenses of a certified class may be settled, voluntarily dismissed, or compromised only with the court's approval.” By this motion, the Settling Parties seek preliminary approval of the Settlement and approval of the Settling Parties’ negotiated notice plan. In determining whether a settlement is reasonable, the trial court's primary task is to evaluate the terms of the settlement in relation to the strength of the plaintiff's case. *Bayhille v. Jiffy Lube Intern., Inc.*, 2006 OK CIV APP 130, ¶11, 146 P.3d 856, 859.

Here, Plaintiffs have developed scientific proof through geophysicists that the sequence of seismicity around Pawnee and elsewhere in the State since as early April of 2013, was not an act of God, but instead was induced by wastewater disposal operations by certain defendants. The science is solid and has been around since the 1960s. While Plaintiffs are resolute in their belief that their claims have substantial merit, they also understand that litigation is risky and uncertain.

The Settlement provides \$375,000.00 in cash benefits to the Settlement Class, which is a substantial benefit to the Settlement Class considering Tarka's inability to sustain any judgment against it here.

3. The Proposed Notice Plan Deserves Court-Approval.

12 O.S. §2023 E. requires the Court to direct notice in a reasonable manner to all class members who would be bound by the proposal. The Settlement Agreement provides a reasonable notice plan and reasonable notice to the Settlement Class in several ways.

First, the proposed settlement class notice and plan were previously and successfully used in other in this Action with respect to the class action resolution with then Defendant Eagle Road.

The full Class Notice is provided at **Exhibit C** to the Settlement Agreement (**Exhibit 1**), and this agreed Internet Notice, which will be posted on a website dedicated to the Settlement for purposes of notice and claims administration.

Second, the Settlement Administrator will also ensure that a summary of this notice is published in at least The Oklahoman, Tulsa World, The Pawnee Chief, the Cleveland American Newspaper, and the Cushing Citizen.

Third, Class Counsel shall ensure that a nationwide press release is issued that also notifies the Settlement Class of this resolution, advises them of the legal rights, and directs them to ways they may obtain more information. Additionally, the Settling Parties expect media coverage of this Settlement as previously occurred during this litigation.

Fourth, the Settling Parties have also agreed on Internet and social media advertising geared to advise the Settlement Class of the Settlement and their legal rights related to it and direct them to the Class Notice on the Settlement's dedicated website.

And lastly, all approved claimants in the Eagle Road settlement shall also receive direct email and U.S. Mail notice of this Settlement, and moreover, their claims in the Eagle Road resolution will be filed automatically with this Settlement with the claimant also having the opportunity to amend their prior claim should other damages need to be added by a Settlement Class Member.

These methods of notice are more fully described in the Amended Settlement Agreement, and are reasonable methods of notice for the members of the Settlement Class and deserving of this Court's approval.

4. **Appointment of the Settlement Administrator and Settlement Class Counsel.**

Finally, Plaintiffs move for approval of their selection of KCC as the Settlement Administrator and Scott Poynter as Settlement Class Counsel. KCC has been retained by

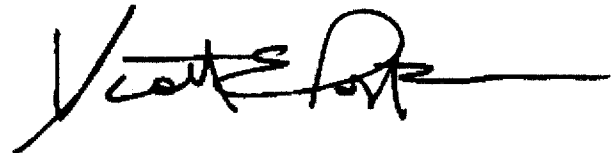

undersigned counsel to publish the Class Notice and effect the negotiated notice plan. Attached as **Exhibit 2** is KCC's qualifications to serve as Settlement Administrator, and thus, it is clearly deserving of the appointment. Further, Plaintiffs also seek Scott Poynter for this Court's appointment as Settlement Class Counsel, and his resume' attached as **Exhibit 3** demonstrates his adequacy to serve in such capacity.

III: CONCLUSION

The proposed Settlement is preliminarily fair and reasonable and deserving of preliminary settlement approval, and the Class Notice and plan are also reasonable under the statute. Further, KCC is deserving for appointment as the Settlement Administrator, and Mr. Poynter is deserving for appointment as Settlement Class Counsel.

Money in the Settlement Fund will be held in trust by the Settlement Administrator until it is distributed in accordance with this Settlement Agreement and the orders of the Court. Any money remaining in the Settlement Fund that is not used in connection with this Settlement shall be returned to Tarka.

2.4 Claim Forms. The Settlement Administrator shall cause the Claim Form substantially in the form of Exhibit D hereto to be made available on the Settlement Website, and to provide a Claim Form to anyone requesting one.

2.5 Submission of Claim Forms. A Class Member may submit a Claim Form to the Settlement Administrator either by mail, email, or through the Settlement Website.

(a) Approved Claimants in the Eagle Road Oil, LLC settlement in the Action and their claims shall be automatically filed by the Settlement Administrator within and shall become a part of this Settlement.

2.6 Validity of Claim Forms. A Claim Form shall be valid if: (a) it is submitted to the Settlement Administrator by the later of one hundred fifty (150) days of Notice first

being made (or another reasonable period established by the Court); (b) it contains information sufficient to establish membership in the Class; (c) includes the address of the affected property or properties; (d) identifies by date and relative location the earthquake(s) or other seismic event(s) claimed to have caused the damages in question, (e) provides documents evidencing damages due to the earthquakes at issue, to include but not limited to photographs, repair bills, and/or repair estimates; (f) makes a claim for a sum certain against the Settlement Fund not to exceed the repair estimates and/or repair bills submitted with the Claim Form; and (g) is signed under penalty of perjury. The claimant must also provide a current address, current email address and telephone number.

2.7 Objections to Claim Forms. Tarka shall have the right to inspect the Claim Forms received by the Settlement Administrator. If Tarka determines that any Claim Form is untimely or duplicative of another Claim Form filed, or that a Claim Form is otherwise invalid (such as the claimant is not a Class Member), it shall object to the acceptance of the Claim Form and shall provide Class Counsel with a written list of Claim Forms as to which objection is made, together with the reasons for objecting to the Claim Forms. To the extent these objections cannot be resolved between Class Counsel and Tarka, the Settlement Administrator shall notify each such claimant of the objection and the reasons for such objection in writing by mail and email to the current addresses provided in the Claim Form. If a claimant disputes the objection to their Claim Form, the claimant must serve the Settlement Administrator with their written reasons supporting their dispute of the objection (together with any supporting evidence) within fourteen (14) days of service of the Settlement Administrator's notification of the objection. The claimant may use Class

Counsel or an attorney of their own choosing to attempt a good faith resolution of the dispute with Tarka's Counsel within fourteen (14) days after service of the claimant's dispute upon the Settlement Administrator. If the dispute cannot be resolved, the claimant may appeal the adverse determination by filing a motion with the Court requesting its determination as to whether the Claim Form was appropriate by the Special Master. Any such motion shall be determined by the Special Master, and the Special Master's determination of the motion shall be final. Any claim not objected to or determined as proper by the Special Master shall be considered an approved claim.

2.8 Claimant's Evidence of Damages. A Claim Form must provide evidence of the Claimant's damages and make a claim for a sum certain not to exceed the amounts of the provided repair estimates and bills. To the extent that an approved claimant's evidence is deemed insufficient by either the Settlement Administrator, Tarka, or Class Counsel, the Settlement Administrator shall notify the claimant in writing of the defect(s) in writing by mail and email to the current addresses in the Claim Form. The approved claimant shall have fourteen (14) days to cure the stated deficiencies. If a claimant disputes the stated deficiencies, the claimant must serve the Settlement Administrator with their written reasons supporting their dispute of the deficiencies (together with any supporting evidence) within fourteen (14) days of service of the Settlement Administrator's notification. The claimant may use an attorney of their own choosing to attempt a good faith resolution of the dispute of the stated deficiencies. If the dispute cannot be resolved between the claimant, Tarka, or Class Counsel, the claimant may appeal the adverse determination by filing a motion with the Court requesting determination of the deficiencies issue by the Special

Master. Such a motion must contain all reasons supporting the claimant's objection to the stated deficiencies, and provide any proof supporting those reasons. Tarka and/or Class Counsel may file a response to any motion within fourteen (14) days of service of the motion. Any such motion shall be determined by the Special Master, and the Special Master's determination of the motion shall be final.

2.9 Allocation of Settlement Fund. The Net Proceeds of the Settlement Fund shall be distributed based upon the sum certain amounts stated in the approved Claim Forms and supported by the submitted evidence approved by Tarka and Class Counsel, or for those amounts determined by the Settlement Master on a motion.

(a) Zone A Claimants: Claimants with damaged properties within 25 miles of Pawnee shall have preferred status as their causal damages links, based upon proximity of their properties and Tarka's disposal wells, is the strongest of those within the Settlement Class. These claimants shall be placed within Zone A and 50% of the Net Settlement Fund shall be distributed to Zone A claimants based upon their submitted damages evidence.

(b) Zone B Claimants: Claimants with damaged properties within 25 to 50 miles of Pawnee shall have a less-preferred status as their causal damages links, based upon proximity of their properties and Tarka's disposal wells, are not as strong as those in Zone A. These claimants shall be placed within Zone B and 25% of the Net Settlement Fund shall be distributed to Zone B claimants based upon their submitted damages evidence.

(c) Zone C Claimants: Claimants with damaged properties within 50 to 100 miles of Pawnee shall have a less-preferred status as their causational damages links, based upon proximity of their properties and Tarka's disposal wells, are not as strong as those in Zone A or Zone B. These claimants shall be placed within Zone C and 15% of the Net Settlement Fund shall be distributed to Zone C claimants based upon their submitted damages evidence.

(d) Zone D Claimants: Claimants with damaged properties more than 100 miles of Pawnee shall have a less-preferred status as their causational damages links, based upon proximity of their properties and Tarka's disposal wells, are not as strong as those in Zone A, Zone B, or Zone C. These claimants shall be placed within Zone D and 10% of the Net Settlement Fund shall be distributed to Zone D claimants based upon their submitted damages evidence.

2.10. Distribution of Net Proceeds. If the total approved claim sum certain amounts do not exceed the Net Proceeds of the Settlement Fund, the Net Proceeds of the Settlement Fund shall be distributed to the approved claimants based upon those sum certain amounts stated in each approved Claim Form with each approved claimant receiving the total amount of their sum certain claimed amount as to be allocated pursuant to Paragraph 2.9 above. Any excess proceeds shall be returned to Tarka. If, however, the total claimed sum certain amounts exceed the Net Proceeds of the Settlement Fund, then the approved claimants shall receive their pro rata share of the Net Proceeds determined by dividing the sum certain claimed submitted by the approved claimant (and supported by the evidence

of damages) on their Claim Form by the overall claimed sum certain amounts stated in all of approved Claim Forms and as further allocated pursuant to Paragraph 2.9 above.

2.11 Cash Payments. The Settlement Fund will not be distributed without Court approval. Within thirty (30) days after the later of (a) the Final Approval Order becoming Final, or (b) the Court enters the Distribution Order, the Settlement Administrator will mail a check to each Class Member with an Approved Claim pursuant to the Distribution Order. Thereafter, the Settlement Administrator will notify Tarka and Class Counsel of the claims and amounts paid.

2.12 Negotiability Period. Checks sent to Class Members shall remain negotiable for ninety (90) days from the date of mailing. Checks that are not cashed within ninety (90) days of their issuance will be void and the associated funds will revert to Tarka. This provision applies to checks that are returned to the Settlement Administrator by the post office as undeliverable. The Parties agree that such funds represent settlement payments for matters disputed in good faith, not uncontested payments, and they shall not be subject to escheat rules, *cy pres*, or other distribution not provided for in this Settlement Agreement. Class Members who fail to negotiate their checks in a timely manner shall remain Class Members for purposes of this Settlement Agreement and the Final Approval Order.

ARTICLE III - SETTLEMENT ADMINISTRATION

3.1 Settlement Administrator. Class Counsel shall select and retain KCC as the third-party Settlement Administrator to administer the Class Settlement, subject to Court approval.

The Publication Notice shall also provide the deadlines for exclusion from the Settlement, for the filing of any objection to the Settlement, for the filing of claims against the Settlement, and the date, time, and location of the Final Approval Hearing. The Publication Notice shall provide a toll-free number to the Settlement Administrator to answer any questions a Settlement Class Member may have. This Publication Notice shall run in ¼ page ads in prominent sections of these newspapers on a weekly basis for a period of four weeks.
- (c) Press Release. Class Counsel shall issue a press release directing Settlement Class members to the Settlement Website for the complete Internet Notice and a Claim Form, and that summarizes the allegations in the Action, the

Settlement, and provides the Settlement Class members' rights to exclude themselves from the Settlement or object to the Settlement. The Press Release shall also provide the deadlines for exclusion from the Settlement, for the filing of any objection to the Settlement, for the filing of claims against the Settlement, and the date, time, and location of the Final Approval Hearing. The Press Release shall also provide a toll-free number to the Settlement Administrator to answer any questions a Settlement Class Member may have. Class Counsel may also post the same information on his firm's website and publish same on his firm's blog page. Class Counsel will coordinate the substance of the press release with counsel for Tarka.

- (d) Press Coverage. The parties anticipate media coverage of this Settlement, and Class Counsel and Settling Defense Counsel are permitted to discuss the Settlement with reporters to explain the terms of the Settlement and the Settlement Class Members' rights under the Settlement's provisions. Thus, Class Counsel and Settling Defense Counsel are expressly limited to discussing the procedures and potential remedies afforded to class members under the Settlement, and are to focus on the claims being settled and the process and procedures related to this Settlement.
- (e) Email Notice. Each Approved Claimant in the Eagle Road Oil, LLC settlement in the Action shall be provided direct email notice of this Settlement and that their Claim within that Settlement shall be filed automatically for them by the Settlement Administrator before the Claim Deadline, unless an Approved

Claimant notifies the Settlement in writing within 30 days of the Claim Deadline that they do not wish to file another Claim or they wish to submit a new Claim with additional damages information.

- (i) The Settlement Administrator shall provide direct mail notice to each Approved Claimant where the Administrator does not have a valid email address for the Approved Claimant.

3.3 Requests for Exclusion. Class Members, except for Plaintiffs, may exclude themselves from the Class only by submitting a valid Request for Exclusion. All Class Members who do not submit a valid Request for Exclusion will be included in the Class and will be bound by this Settlement Agreement on the Effective Date. Plaintiffs agree they will not request exclusion from the Settlement Class. Provided, further, that Class Counsel and record counsel for plaintiffs in the Related Cases stipulate and agree that they will not represent any Class Member, who is properly excluded from the Class, against Tarka insofar as any claims arising from earthquakes, foreshocks, and aftershocks that occurred within the State of Oklahoma during the Settlement Class Period.

3.4 Validity of Requests for Exclusion. To be valid, a Request for Exclusion must (a) be submitted by a Class Member; (b) be submitted to the Settlement Administrator and postmarked within the later of thirty (30) days of the later of the first publication of the Internet Notice, Publication Notice, or Press Release; (c) be signed by the Class Member and clearly request exclusion from the Class; (d) contain the Class Member's name, current address and telephone number, and the physical address of the property impacted by the seismicity if different from the Class Member's current address and identification of the

earthquake(s) causing damage.

3.5 List of Requests for Exclusion. Within seven (7) days after the last day for Class Members to submit a Request for Exclusion, the Settlement Administrator shall submit to Class Counsel, who shall file it under seal with the Court, and Tarka Counsel a list of Class Members who have submitted timely and valid Requests for Exclusion. Class Members submitting such requests will not be entitled to receive any relief under this Settlement Agreement or to object to this Settlement.

3.6 Declaration of Compliance. The Settlement Administrator shall prepare a declaration attesting to compliance with the Notice requirements set forth in this Article. Such declaration shall be provided to Class Counsel, who shall file it with the Court within seven (7) days of receipt, and the Tarka Counsel.

3.7 Best Notice. The Parties agree, and the Preliminary Approval Order shall state, that compliance with the procedures described in this Article is the best notice practicable under the circumstances and shall constitute due and sufficient notice to the Class of the pendency of the Action, the terms of this Settlement Agreement, and the Final Approval Hearing, and shall satisfy the requirements of the Federal Rules of Civil Procedure, Oklahoma Discovery Code, the Oklahoma Constitution, the United States Constitution, and any other applicable law.

3.8 Inquiries. The Settlement Administrator will establish a telephone number for Class Members to call for more information about the Settlement. For questions that cannot be answered by the Settlement Administrator, those callers may be referred to Class Counsel.

3.9 Settlement Administration Fees and Costs. The Settlement Administrator shall be paid, upon Court approval, its reasonable fees and costs for notice and administration of the Settlement from the Settlement Fund.

3.10 No Liability. The Parties, the Released Parties, and their respective counsel shall have no responsibility or liability whatsoever for the Settlement Administrator's conduct, omissions, or actions, including but not limited to the provision of Notice.

ARTICLE IV - FEES, COSTS, AND INCENTIVE AWARD

4.1 Fees and Costs Award. Class Counsel in the Action may seek an award of attorneys' fees up to 40% of the Settlement Fund, and reasonable litigation expenses not to exceed \$75,000.00.

4.2 Incentive Award. Class Representative and Class Counsel agree not to seek more than \$7,500.00 from Tarka's contribution to the Settlement Fund, as an incentive award in the Action.

4.3 Payment Date. Within seven (7) days after any order granting attorneys' fees and costs and the incentive award, the Settlement Administrator shall make payment of the approved amount of attorneys' fees and costs awarded to Class Counsel and the incentive award awarded to the Class Representative by electronic wire transfer to the trust account for Poynter Law Group.

4.4 Refund. If for any reason, including as a result of any appeal and/or further proceedings on remand, or successful collateral attack, the attorneys' fees and costs awarded by the Court is reversed or modified, then it shall be the obligation of Class Counsel to refund or repay the previously approved Fees and Costs Award and Incentive

Award to the Settlement Fund any amount previously paid within seven (7) days of the entry an order of reversal or modification.

4.5 Effect of Attorneys' Fees. Neither the resolution of, nor any ruling regarding, any award of attorneys' fees and costs shall be a precondition to this Settlement or to the dismissal with prejudice of the Action and Related Actions. Notwithstanding anything in this Settlement Agreement to the contrary, the effectiveness of the releases and the other obligations of the Parties under this Settlement (except with respect to the payment of attorneys' fees and costs) shall not be conditioned upon or subject to the resolution of any appeal from any order, if such appeal relates solely to the issue of any award of attorneys' fees and/or the reimbursement of costs.

ARTICLE V- COURT APPROVAL OF SETTLEMENT

5.1 Motion for Preliminary Settlement Approval. As soon as practicable after execution of this Settlement Agreement, the Class Representative, through Class Counsel shall apply for entry of the Preliminary Approval Order in the form of Exhibit A hereto. The Preliminary Approval Order shall include provisions: (a) preliminarily approving this Settlement and finding this Settlement sufficiently fair, and reasonable; (b) approving the form, content, and manner of the Notice; (c) setting a schedule for proceedings with respect to final approval of this Settlement; (d) immediately staying the Action, other than proceedings related to this Settlement; and (e) issuing an injunction against any actions by Class Members to pursue claims released under this Settlement Agreement, pending final approval of the Settlement Agreement.

5.2 Objections. Any Class Member, other than Plaintiffs, who does not submit a

timely and valid Request for Exclusion and who wishes to object to or oppose the approval of (a) this Settlement Agreement, (b) the Fees and Costs Application, (c) the Incentive Award Application, and/or (d) the proposed Final Approval Order shall file a written objection with the Court and serve it on the Parties at least ten (10) days before the Final Approval Hearing. The written objection must include: (1) a statement of the reasons for the objection and any evidence supporting the objection; (2) the objecting Class Member's name, address, and telephone number; (3) proof of the objecting Class Member's Settlement Class membership; (4) a statement regarding whether the objecting Class Member intends to appear at the Final Approval Hearing and whether he or she is represented by counsel; and (5) any other requirements set forth in the Notice. Any Class Member who fails to file a timely written objection that meets the requirements of this paragraph shall be deemed to have waived such objection or opposition and forever shall be foreclosed from making such objection or opposition to the fairness, reasonableness, or adequacy of the Settlement, the payment of attorney's fees, costs, expenses, and the incentive award, or the Final Approval Order. Any Class Member who makes an objection shall submit to the jurisdiction of the Court and make himself or herself available for deposition by either Party within a reasonable time before the Final Approval Hearing. Plaintiffs shall not object to the Settlement.

5.3 Motion for Final Settlement Approval. The Class Representative, through Class Counsel, shall file with the Court a motion for final settlement approval at least seven (7) days before the Final Approval Hearing.

5.4 Final Approval Hearing. The Parties shall request that the Court conduct a

Final Approval Hearing to, among other things: (a) determine whether to grant final approval to this Settlement Agreement; (b) consider any timely objections to this Settlement and the Parties' responses to such objections; (c) rule on the Fees and Costs Application; and (d) rule on the Incentive Award Application. At the Final Approval Hearing, the Class Representative, through Class Counsel, shall ask the Court to give final approval to this Settlement Agreement. If the Court grants final approval to this Settlement Agreement, then the Class Representative, through Class Counsel, shall ask the Court to enter a Final Approval Order, substantially in the form of Exhibit B attached hereto, which, among other things, approves this Settlement Agreement, enters final judgment, and dismisses the Action with prejudice.

5.5 Separate Consideration of Applications. The Parties agree that the Fees and Costs Application, Incentive Award Application, Plan of Allocation, and any claim or dispute relating thereto will be considered by the Court separately from the remaining matters to be considered at the Final Approval Hearing as provided for in this Settlement Agreement. Any order or proceedings relating to the Fees and Costs Application, Incentive Award Application, and Plan of Allocation, including any appeals from or modifications or reversals of any order related thereto, shall not operate to modify, reverse, terminate, or cancel the Settlement Agreement, affect the releases provided for in the Settlement Agreement, or affect whether the Final Approval Order becomes Final.

ARTICLE VI - TERMINATION

6.1 Termination Due to Court Action. The Class Representative and Tarka each

shall have the right to terminate this Settlement Agreement if either (i) the Court denies preliminary approval or final approval of this Settlement Agreement; or (ii) the Final Approval Order does not become Final. If a Party elects to terminate this Agreement under this paragraph, that Party must provide written notice to the other Party's counsel within seven (7) days of the occurrence of the condition permitting termination.

6.2 Option to Terminate Due to Opt-Outs. Tarka shall have the right and option, in its sole discretion, to terminate this Settlement if more than ten (10) members of the Settlement Class timely and properly request to be excluded from the Settlement. Tarka must elect to terminate this Settlement by written notice delivered to Plaintiffs' Counsel and Tarka on or before the expiration of ten (10) business days following the date on which the Settlement Administrator provides the written list of opt-outs specified in paragraph 3.5. If Tarka does not exercise its right to terminate on or before the expiration of that ten (10) business day period, Tarka's right to terminate shall expire. If Tarka timely and properly exercises its option to terminate this Agreement, this Agreement shall become null and void as to Tarka, subject to the provisions of paragraph 6.3 below, and all orders of the Court preliminarily or otherwise certifying the Settlement Class shall be vacated and the Parties shall be returned to the status quo that existed in the Action before the Parties had preliminarily agreed to propose this Settlement as to Tarka exercising its right of termination.

6.3 Effect of Termination. If this Settlement Agreement is terminated pursuant to paragraph 6.1 or 6.2, then: (i) this Settlement Agreement shall be rendered null and void; (ii) this Settlement Agreement and all negotiations and proceedings relating hereto shall be

of no force or effect and without prejudice to the rights of the Parties; (iii) all Parties shall be deemed to have reverted to their respective status as of the date and time immediately preceding the execution of this Settlement Agreement, (iv) all money in the Settlement Fund shall be returned to Tarka within ten (10) days; and (v) except as otherwise expressly provided, Tarka and Plaintiffs shall stand in the same position and shall proceed in all respects as if this Settlement Agreement and any related orders had never been executed, entered into, or filed. Upon termination of this Settlement Agreement, the Parties shall not seek to recover from one another any costs incurred in connection with this Settlement.

ARTICLE VII - RELEASES UPON EFFECTIVE DATE

7.1 **Binding and Exclusive Nature of Settlement Agreement.** On the Effective Date, the Parties and each and every Settlement Class Member shall be bound by this Settlement Agreement and shall have recourse exclusively to the benefits, rights, and remedies provided hereunder. No other action, demand, suit, or other claim may be pursued by the Settlement Class Members against the Released Parties with respect to the Released Claims.

7.2 **Releases.** On the Effective Date, the Settlement Class Members shall be deemed to have, and by operation of this Settlement Agreement shall have, fully, finally and forever released, relinquished and discharged the Released Parties from any and all Released Claims. The Final Approval Order will enjoin Class Members from initiating or pursuing any claim or lawsuit against the Released Parties with respect to the Released Claims.

7.3 **Waiver of Unknown Claims.** On the Effective Date, the Settlement Class

Members shall be deemed to have, and by operation of this Settlement Agreement shall have, with respect to the subject matter of the Released Claims, expressly waived the benefits of any statutory provisions or common law rule that provides, in substance, that a general release does not extend to claims which the party does not know or suspect to exist in its favor at the time of executing the release, which if known by it, would have materially affected its settlement with any other party. The Parties stipulate and agree that, upon the Effective Date, the Class Representative shall have expressly waived, relinquished and released any and all rights and benefits related to any unknown claims with respect to the subject matter of the Released Claims and each Settlement Class Member shall be deemed to have, and by operation of the Final Approval Order shall have, waived, relinquished and released any and all rights and benefits related to any unknown claims with respect to the subject matter of the Released Claims. The Class Representative acknowledges, and the Settlement Class Members shall be deemed by operation of the entry of a Final Approval Order to have acknowledged, that they may discover facts in addition to or different from those now known or believed to be true with respect to the Released Claims, but that it is the intention of the Class Representative and, by operation of law, the Settlement Class Members, to completely, fully, finally, and forever, compromise, settle, release, discharge, extinguish, and dismiss any and all Released Claims, known or unknown, suspected or unsuspected, contingent or absolute, accrued or unaccrued, apparent or unapparent, which now exist, or heretofore existed, or may hereafter exist, and without regard to the subsequent discovery of additional or different facts. The Class Representative acknowledges, and the Members of the Settlement Class shall be deemed by operation of

the entry of a Final Approval order to have acknowledged, that the waiver of unknown claims was separately bargained for, is an integral element of the Settlement, and was relied upon by Tarka in entering into this Settlement.

7.4 Assumption of Risk. In entering into this Settlement Agreement, each of the Parties assumes the risk of any mistake of fact or law. If either Party should later discover that any fact which the Party relied upon in entering into this Agreement is not true, or that the Party's understanding of the facts or law was incorrect, the Party shall not be entitled to modify, reform, or set aside this Settlement Agreement, in whole or in part, by reason thereof.

ARTICLE VIII - MISCELLANEOUS

8.1 No Admission of Liability. Neither the acceptance by Tarka of the terms of this Settlement Agreement nor any of the related negotiations or proceedings constitutes an admission with respect to the merits of the claims alleged in the Action. Tarka specifically denies any liability or wrongdoing of any kind associated with the claims alleged in the Action. Tarka further disputes that the Action could be properly maintained for litigation purposes as a contested class action under 12 O.S. § 2023.

8.2 Limitations on Use. Except as set forth herein, this Settlement Agreement shall not be used, offered, or received into evidence in the Action, or in any other action or proceeding, for any purpose other than to enforce, construe, or finalize the terms of the Settlement Agreement, and/or to obtain the preliminary and final approval by the Court of the terms of the Settlement Agreement.

The Parties agree that this Settlement Agreement, and any Order (or similar order or

ruling) entered by the Court in this Action, is not an admission by Tarka of any liability or of any of the elements necessary for class certification and cannot be used for any purpose outside of this Action, except as set out in this Settlement Agreement. The Parties have entered into this Settlement Agreement solely for the purposes of settling the claims in this Action and the Related Actions, and have agreed to certification of the Settlement Class solely for the purpose of settling the claims in this Action and any Orders (or rulings) by the Court in this Action may not be used or construed Tarka for any purpose outside of this Action, and may not support an argument that an element necessary for class action certification has already been met, or can or may be met in any lawsuit, dispute, litigation or proceeding outside of this Action and/or the Related Actions.

The Parties further agree that the Settlement Agreement is subject to res judicata and collateral estoppel as to all Plaintiffs and Settlement Class Members, who do not opt out of the settlement, and prohibits any Settlement Class Member, who does not opt out of the settlement, from pursuing any Released Claim Outside of this Action. Nothing herein shall prohibit the Settlement Defendants from using this Settlement Agreement and any Agreed Settlement Order (or similar order or ruling) entered in this Action in any other action or actions for any purpose of enforcing this Agreement, including establishing that a claim by a party (plaintiff) in a different lawsuit or action was released by that party's being a Settlement Class Member in this Action or is subject to res judicata and/or collateral estoppel.

8.3 Cooperation. The Parties and their counsel agree to support approval of this Settlement Agreement by the Court and to take all reasonable and lawful actions

necessary to obtain such approval.

8.4 No Assignment. Each Party represents, covenants, and warrants that he, she, or it has not directly or indirectly assigned, transferred, encumbered, or purported to assign, transfer, or encumber any portion of any liability, claim, demand, cause of action, or rights that he, she, or it herein releases.

8.5 Binding on Assigns. This Settlement Agreement shall be binding upon and inure to the benefit of the Parties and their respective heirs, trustees, executors, successors, and assigns.

8.6 Captions. Titles or captions contained in this Settlement Agreement are inserted as a matter of convenience and for reference, and in no way define, limit, extend, or describe the scope of this Settlement Agreement or any provision hereof.

8.7 Construction. The Parties agree that the terms and conditions of this Settlement Agreement are the result of lengthy, intensive arm's-length negotiations between the Parties, and that this Settlement Agreement shall not be construed in favor of or against any Party by reason of the extent to which any Party, or his/her or its counsel, participated in the drafting of this Settlement Agreement.

8.8 Counterparts. This Settlement Agreement and any amendments hereto may be executed in one or more counterparts, and either Party may execute any such counterpart, each of which when executed and delivered shall be deemed to be an original and both of which counterparts taken together shall constitute but one and the same instrument. A facsimile or PDF signature shall be deemed an original for all purposes.

8.9 Governing Law. Construction and interpretation of this Settlement

Agreement shall be determined in accordance with the laws of the State of Oklahoma without regard to the choice-of-law principles thereof.

8.10 Integration. This Settlement Agreement, including the exhibits referred to herein, which form an integral part hereof, contains the entire understanding of the Parties with respect to the subject matter contained herein. There are no promises, representations, warranties, covenants, or undertakings governing the subject matter of this Settlement Agreement other than those expressly set forth in this Settlement Agreement. This Settlement Agreement supersedes all prior agreements and understandings among the Parties with respect to the settlement of the Action. This Settlement Agreement may not be changed, altered or modified, except in a writing signed by the Parties; if any such change, alteration or modification of the Settlement Agreement is material, it must also be approved by the Court. This Settlement Agreement may not be discharged except by performance in accordance with its terms or by a writing signed by the Parties.

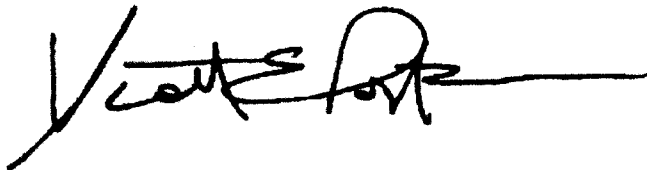

8.11 Jurisdiction. The Court shall retain jurisdiction, after entry of the Final Approval Order, with respect to enforcement of the terms of this Settlement, and all Parties and Settlement Class Members submit to the exclusive jurisdiction of the Court with respect to the enforcement of this Settlement and any dispute with respect thereto.

8.12 No Collateral Attack. This Settlement Agreement shall not be subject to collateral attack by any Settlement Class Member at any time on or after the Effective Date. Such prohibited collateral attacks shall include, but shall not be limited to, claims that a Settlement Class Member's Claim was improperly denied and/or that a Settlement Class Member failed to receive timely notice of the Settlement Agreement.

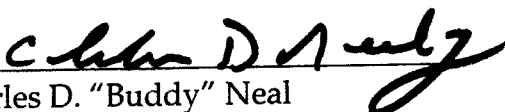

8.13 Parties' Authority. The signatories hereto represent that they are fully authorized to enter into this Settlement Agreement and bind the Parties to the terms and conditions hereof.

8.14 Receipt of Advice of Counsel. The Parties acknowledge, agree, and specifically warrant to each other that they have read this Settlement Agreement, have received legal advice with respect to the advisability of entering into this Settlement, and fully understand its legal effect.

IN WITNESS WHEREOF, the Parties have executed this Settlement Agreement on the 5th day of December, 2022.

A Final Approval Hearing shall be held before this Court at ___ a.m./p.m. on _____ to address: (a) whether the proposed Settlement should be finally approved as fair, reasonable and adequate; (b) whether a final Order and Judgment should be entered; and (c) any other matters that the Court deems appropriate.

5. With the exception of such proceedings as are necessary to implement, effectuate and grant final approval to the terms of the Settlement, all proceedings are stayed in this Action as to Tarka and all Settlement Class Members are enjoined from commencing or continuing any action or proceeding in any court or tribunal asserting any claims encompassed by the Settlement against Tarka unless the Settlement Class Member files a valid and timely Request for Exclusion.

6. The Court approves, as to form and content, the Notice as provided in the

Settlement.

7. Within seven (7) days of entry of this Order, Class Counsel shall ensure Notice (including, the Internet Notice, Publication Notice, and Press Release) is provided as agreed in the Settlement.

8. The Court finds that Plaintiff's plan for providing Notice to the Settlement Class Members as described in the Settlement constitutes the best notice practicable under the circumstances and shall constitute due and sufficient notice to the Settlement Class Members of the pendency of the Action and the Final Approval Hearing, and complies fully with the requirements of the Oklahoma Rules of Civil Procedure, the Oklahoma Constitution, the U.S. Constitution, and any other applicable law.

9. The Court further finds that the Notice described in the Settlement will adequately inform the Settlement Class Members of their right to exclude themselves from the Settlement Class so as not to be bound by the terms of the Settlement. Any Settlement Class Member who desires to be excluded from the Settlement Class, and therefore not bound by the terms of the Settlement, must submit to the Settlement Administrator, pursuant to the instructions set forth in the Notice, a timely and valid written Request for Exclusion.

10. The Court finds the proposed Settlement Administrator adequate to serve as administrator of the Settlement, and thus, approves KCC as the Settlement Administrator.

11. In order to be valid, a Request for Exclusion must: (1) be signed by the member of the Settlement Class or his or her authorized representative; (2) be timely

mailed to the Settlement Administrator; (3) clearly request exclusion from the Settlement Class; and (4) contain the Class Member's name, current address and telephone number, and the physical address of the property impacted by the seismicity if different from the Class Member's current address and identification of the earthquake(s) causing damage.

12. Any Settlement Class Member who elects to be excluded shall not be entitled to receive any of the benefits of the Settlement, shall not be bound by the release of any claims pursuant to the Settlement, and shall not be entitled to object to the Settlement or appear at the Final Approval Hearing. The names and addresses of all persons timely submitting valid Requests for Exclusion shall be provided to the Court under seal.

13. Any Settlement Class Member who does not timely submit a valid Request for Exclusion may object to the Settlement, to Class Counsel's application for attorney's fees and expenses, to the payment of an incentive award, or to the proposed Final Judgment and Order of Dismissal with Prejudice. Settlement Class Members making objections must do so in writing setting forth their full name, current address and telephone number, and must state in writing all objections and the reasons therefore, provide copies of any documents relied upon for such objection, and state whether he or she intends to appear at the Final Approval Hearing and whether he or she is represented by separate legal counsel. Settlement Class Members who fail to file and serve timely written objections in the manner specified above shall be deemed to have waived any objections and shall be foreclosed from making any objection (whether by appeal or otherwise) to the Settlement.

14. All objections must be filed with the Court and served on Class Counsel within ten days of the Final Approval Hearing.

15. Any Settlement Class Member that files and serves a proper and timely objection shall have the right to appear and be heard at the Final Approval Hearing, either personally or through an attorney retained at the Settlement Class Member's own expense. Any Settlement Class Member that makes an objection shall make themselves available for deposition by either Party within a reasonable time before the Final Approval Hearing.

16. Within seven days of Final Approval Hearing, the following shall occur:

- a. Class Counsel shall cause to be filed with the Court declarations attesting to compliance with the notice requirements set forth above.
- b. The Class Representative shall file with the Court a motion in support of final approval of the Settlement and in response to any objections.
- c. Class Counsel and the Plaintiff shall file applications for an award of attorneys' fees and/or incentive award.

17. Service of all papers relating to an exclusion shall also be made by timely mailing the request to the Settlement Administrator at an address the Administrator creates for such mailings. Such address must be included in the Class Notice.

18. Any objections to the Settlement shall be filed with the Clerk of the Court within 10 days of the Final Approval Hearing, and must also be served on Class Counsel and Tarka's Counsel, and must be consistent with the requirements in the Notice.

19. Only Settlement Class Members who have filed and served valid and timely

notices of intention to appear, together with supporting papers, shall be entitled to be heard at the Final Approval Hearing.

20. Any Settlement Class Member who does not make an objection in the time and manner provided in the Settlement shall be deemed to have waived such objection and forever shall be foreclosed from making any objection to the fairness or adequacy of the proposed Settlement, the payment of attorney's fees and expenses, the payment of an incentive award, or the Final Judgment and Order of Dismissal with Prejudice.

21. In the event that the proposed Settlement does not become Final, or in the event that the Settlement becomes null and void pursuant to its terms, this Preliminary Approval Order and all documents filed and orders entered in connection therewith shall become null and void, shall be of no further force and effect, and shall not be used or referred to for any purposes whatsoever in this civil action or in any other case or controversy; in such event, the Settlement and all negotiations and proceedings directly related thereto shall be deemed to be without prejudice to the rights of any and all of the Parties, who shall be restored to their respective positions as of the date of the Settlement.

22. The Court may, for good cause, extend any of the deadlines set forth in this Preliminary Approval Order without further notice to the Settlement Class Members. The Final Approval Hearing may, from time to time and without further notice to the Class, be continued by order of the Court. Any notice of postponement shall be posted on the Settlement's website.

23. Except as provided in the Settlement, this Order and any other Order or Judgment and the Stipulation and Settlement, shall not be used, offered, or received into

evidence in the Action, or in any other action or proceeding, for any purpose other than to enforce, construe, or finalize the terms of the Settlement, or as necessary as set out in the Settlement.

24. Except as provided in the Settlement, this Order and any other Order and Judgment, the Stipulation and Settlement, shall not be an admission by Tarka of any liability or of any of the elements necessary for class certification and cannot be used to support an argument that an element necessary for class action certification against these Defendants has already been admitted, waived or met, or can, or may be met in any lawsuit, dispute, or proceeding outside of this Action, or for any other purposes outside of this Action, except as recognized by the Settlement.

WHEREAS, On _____, an order preliminary approving the Settlement ("Preliminary Approval Order") was entered preliminarily approving the Settlement and

all of its terms as fair, reasonable and adequate to the Settlement Class Members, as falling within the range of possible final approval, and as meriting submission to the Settlement Class Members for their consideration.

WHEREAS, pursuant to the Amended Settlement Agreement's plan for providing notice to the Settlement Class Members, the Settlement Class Members were notified pursuant to the terms of the proposed Settlement and of a Final Approval Hearing to determine, *inter alia*: (1) whether the terms and conditions of the Settlement Agreement are fair, reasonable and adequate for the release of the Released Claims against the Released Parties; (2) whether judgment should be entered dismissing the claims of the complaint; (3) whether Class Counsel's application for attorney's fees and expenses should be approved; and (4) whether the payment of the incentive award should be approved.

NOW, THEREFORE, the Court, having heard the presentations to the Court, having reviewed all of the submissions presented with respect to the proposed Settlement, having determined that the Settlement is fair, adequate, and reasonable, having considered the application of Class Counsel for an award of attorney's fees, and

having reviewed the materials in support thereof, it is hereby ORDERED, ADJUDGED and DECREED THAT:

1. The capitalized terms used in this Order and Judgment shall have the same meaning as defined in the Amended Settlement Agreement except as may otherwise be ordered.

2. The Court has jurisdiction over the subject matter of this Action and over all claims raised therein and all Parties thereto, including the Settlement Class.

3. The Settlement Class, which will be bound by this Order and Judgment, shall include all Settlement Class Members who did not submit a timely and valid Request for Exclusion. A list of all Settlement Class Members who submitted a timely and valid Request for Exclusion has been filed under seal.

4. The Settlement Class consists of the following:

Excluded from the Settlement Class are the following:

- a) Any of the Settling Defendant or its owners, directors, officers, employees, and/or agents, the judge presiding over this action and his immediate family members; and,
- b) Any person that timely and properly excludes himself/herself/itself pursuant to the orders of the Court.

5. The Court finds that the Notice set forth in the Amended Settlement Agreement and effectuated pursuant to the Preliminary Approval Order constitutes the best notice practicable under the circumstances and constituted due and sufficient notice to Settlement Class Members of the pendency of the Action, the terms of the Settlement Agreement, and the Final Approval Hearing, and satisfies the requirements of Oklahoma and federal due process of law.

6. The Settlement, as set forth in the Settlement Agreement, is in all respects fair, reasonable, adequate and in the best interests of the Settlement Class, and it is approved. The Amended Settlement Agreement and every term and provision thereof shall be deemed incorporated herein as if explicitly set forth and shall have the full force of an Order of this Court.

7. Any Settlement Class Member who does not submit an Approved Claim shall not be entitled to any benefits under the Settlement.

8. 9. Settlement Class Members, including the Class Representative, and the successors, assigns, parents, subsidiaries, affiliates or agents of any of them, are hereby permanently barred and enjoined from instituting, commencing or prosecuting, either directly or in any other capacity, any Released Claim against any of the Released Parties.

10. This Order and Judgment, the Stipulation and Settlement Agreement, the Settlement which it reflects, and any and all acts, statements, documents or proceedings relating to the Settlement are not, and shall not be construed as, or used as an admission by or against the Tarka or any other Released Party of any fault, wrongdoing, liability on their part, or of the validity of any Released Claim or of the existence or amount of damages.

11. Except as provided in the Settlement Agreement, this Order and Judgment, the Stipulation and Settlement Agreement, shall not be used, offered, or received into evidence in the Action, or in any other action or proceeding, for any purpose other than to enforce, construe, or finalize the terms of the Settlement Agreement, or as necessary as set out in the Settlement Agreement.

12. This Order and Judgment, the Stipulation and Settlement Agreement, shall not be an admission by Tarka of any liability or of any of the elements necessary for class certification and cannot be used to support an argument that an element necessary for class action certification against these Defendants has already been admitted, waived or met, or can, or may be met in any lawsuit, dispute, or proceeding outside of this Action, or for any other purposes outside of this Action, except as recognized by the Settlement Agreement.

EXHIBIT 1 - C

If You Suffered Damage From The Earthquakes in Oklahoma Between April 16, 2013, And the Effective Date, You May Be Eligible For A Payment From Three Class Action Settlements.

A State Court authorized this Notice. This is not a solicitation from a lawyer.

- \$3,265,000.00 in settlements have been reached in a class action lawsuit about whether Territory Resources, LLC (“Territory”); Cummings Oil Company (“Cummings”); and Tarka Energy, LLC (“Tarka”) operated wastewater disposal wells that allegedly contributed to causing the earthquakes near Pawnee, Oklahoma and also in other areas in Oklahoma occurring within the Settlement Class Period. The Settlement resolves any and all claims against Territory, Cummings, and Tarka alleged to arise from earthquakes that occurred between April 16, 2013, and the Effective Date with epicenters within the State of Oklahoma, including but not limited to the 5.8m earthquake near Pawnee on September 3, 2016. Territory, Cummings, and Tarka, dispute and deny all of the allegations made by the Plaintiff. The lawsuit will continue against the remaining defendant EnerVest Operating, L.L.C. (hereafter “Non-Settling Defendant”).
- Of the total Settlement Fund of \$3,265,000.00, Territory is providing \$2,075,000.00, Cummings is providing \$815,000.00, and Tarka is contributing another \$375,000.00 and in cash consideration. Territory, Cummings, and Tarka are referred to here as the “Settling Defendants.”
- You may be eligible to participate in the proposed settlements, if it is finally approved, if you owned or have had an interest in residential or commercial real estate properties within the borders of Oklahoma between April 16, 2013, through the Effective Date and suffered earthquake damages from earthquakes near Pawnee, Oklahoma or other seismicity in other areas of Oklahoma.
- The Settlements will provide benefits to those who qualify. You will need to file a Claim Form to receive benefits from the Settlements.
- Your legal rights are affected whether you act, or don’t act. Read this Notice carefully.

SUBMIT A CLAIM FORM BY XXXXXXXX	This is the only way to receive benefits.
EXCLUDE YOURSELF BY XXXXX	Request to be excluded and get no benefits from the Settlement. This is the only option that allows you to start or continue your own lawsuit against Territory, Cummings, or Tarka for the claims at issue in the Settlements.
OBJECT BY XXXXXXXX	Write to the Court about why you do not like the Settlements or why you think the Settlements are unfair, inadequate or unreasonable.
GO TO A HEARING	Ask to speak in Court about the fairness of the Settlements.
DO NOTHING	Get no benefits. Give up any rights you might have to ever sue Territory, Cummings, and Tarka about the legal claims in this case and resolved by the Settlements.

- These rights and options—**and the deadlines to exercise them**—are explained in this Notice. The deadlines may be moved, canceled, or otherwise modified, so please check the Settlement Website at [www.\[website\].com](http://www.[website].com) regularly for updates and further details.

QUESTIONS? CALL TOLL-FREE 1-XXX-XXX-XXXX OR VISIT [WWW.\[WEBSITE\].COM](http://WWW.[WEBSITE].COM)

- The Court in charge of this case still must decide whether to approve each of the Settlements. Benefits will be provided to eligible participants only if the Court approves the Settlements and after any appeals are resolved. Please be patient.

2. What is this lawsuit about?

Plaintiff alleges, generally, that wastewater disposal wells operated by the Settling Defendants contributed to causing the earthquakes near Pawnee, Oklahoma, including but not limited to the 5.8m earthquake near Pawnee on September 3, 2016, and also in other areas of Oklahoma and occurring within the Settlement Class Period.

The Plaintiff's Complaints, Settlement Agreements, and other case-related documents are posted on the Settlement Website, [www.\[website\].com](http://www.[website].com). The Settlements resolve the lawsuits against the Settling Defendants, but the class action lawsuit and the Related Actions will continue against the Non-Settling Defendants, which continue to defend the lawsuits' allegations.

Neither the acceptance by the Settling Defendants of the terms of this Settlement Agreements nor any of the related negotiations or proceedings constitute an admission with respect to the merits of the claims alleged in the Action. Each Settling Defendant specifically denies any liability or wrongdoing of any kind associated with the claims alleged in the Action and Related Actions.

3. Why is this a class action?

In a class action, one or more people, called "Class Representatives" sue on behalf of people who have similar claims. Together, all these people with similar claims (except for those who exclude themselves) are members of the "Settlement Class."

4. Why are there these settlements?

The Court did not decide which side was right or whether the claims have any merit. Instead, both sides agreed to a settlement to avoid the costs and risks of further litigation and provide benefits to Class Members. The Settlement does not mean that a Court found that Defendant broke any laws or did anything wrong. The Class Representative and the lawyers representing him (called "Class Counsel") believe that the settlement is in the best interests of all Class Members.

WHO IS PART OF THE SETTLEMENT?

5. How do I know if I am in the Settlement?

All Class Representatives, Plaintiffs in the Related Actions, and all persons, municipalities, county governments, or tribal governments, who own or owned real property within the borders of Oklahoma or have

QUESTIONS? CALL TOLL-FREE 1-XXX-XXX-XXXX OR VISIT [WWW.\[WEBSITE\].COM](http://WWW.[WEBSITE].COM)

or had a property interest therein between April 16, 2013, through the Effective Date, and which suffered earthquake damages from earthquakes, foreshocks and aftershocks within the State of Oklahoma are "Settlement Class Members" and together are called the "Settlement Class."

Excluded from the Settlement Class are the following:

- a) Tarka and its owners, directors, officers, employees, and/or agents, the judge presiding over this Action and his immediate family members;
- b) Territory Resources and its owners, directors, officers, employees, and/or agents, the judge presiding over this Action and his immediate family members;
- c) Cummings and its owners, directors, officers, employees, and/or agents, the judge presiding over this Action and his immediate family members; and,
- d) Any person that timely and properly excludes himself/herself/itself pursuant to the orders of the Court.

6. What if I am still not sure if I am included in the Settlement?

These claimants shall be placed within Zone D and 10% of the Net Settlement Fund shall be distributed to Zone D claimants based upon their submitted damages evidence.

If the total approved claim sum-certain amounts do not exceed the Net Proceeds of the Settlement Fund, the Net Proceeds of the Settlement Fund shall be distributed to the approved claimants based upon those sum certain amounts as described above. Any excess proceeds shall be returned to the Settling Defendants in relationship to the sums they contributed to the total Settlement Fund. If, however, the total claimed sum certain amounts exceed the Net Proceeds of the Settlement Fund, then the approved claimants shall receive their pro rata share of the Net Proceeds determined by dividing the sum certain claimed amount submitted by the approved claimant (and supported by the evidence of damages) on their Claim Form by the overall claimed sum certain amounts stated in all approved Claim Forms as described above.

To receive any amounts under the Settlement, Settlement Class Members must submit a Claim Form and supporting documentation to the Settlement Administrator at the address provided below, or at [www.\[website\].com](http://www.[website].com).

9. What am I giving up to stay in the Class?

Unless you exclude yourself from the Settlement, you can't sue a Settling Defendant, continue to sue, or be part of any other lawsuit against a Settling Defendant about the legal issues in this case. It also means that all the decisions by the Court will bind you. The Release is described more fully in the Settlement Agreements and describes exactly the legal claims that you give up if you stay in the Class. The Settlement Agreements are available at [www.\[website\].com](http://www.[website].com).

10. How can I receive benefits?

To receive benefits, all Settlement Class Members must complete and timely submit a Claim Form, provide evidence of damages and make a claim for a sum certain not to exceed the amounts of the provided repair estimates and bills. You can obtain a Claim Form at [www.\[website\].com](http://www.[website].com), by calling 1-xxx-xxx-xxxx, or writing to the address below:

Adams v. Tarka Energy, LLC and Adams v. Territory Resources, LLC.

Attn: Settlement Administrator

P.O. Box _____

City, ST _____ - _____

Please read the instructions carefully, fill out the Claim Form, submit it electronically at [www.\[website\].com](http://www.[website].com), by email to _____@[\[website\].com](mailto:[website].com) or by mail to the Settlement Administrator postmarked no later than **Month XX, 2023**, to the address above. If you do not submit a valid Claim Form by the deadline, you will not receive benefits.

11. When will I get my benefits?

Benefits will be mailed to Settlement Class Members who send in a valid and approved Claim Form within thirty (30) days after the later of (a) the Final Approval Order becoming Final, (b) the deadline for submission of Claims Forms, or (c) the date that all objections to Claims or evidence deficiencies are finally resolved. If the Court approves the Settlement after a hearing on **Month __, 2023**, there may be appeals. It's always uncertain whether these appeals can be resolved and resolving them can take time.

12. How do I get out of the Settlements?

If you don't want a payment but you want to keep the right to sue a Settling Defendant over the legal issues in this case, then you must take steps to get out of these Settlements. This is called asking to be excluded from—or sometimes “opting out” of—the settlement class. To exclude yourself from the Settlements, you must be a Settlement Class Member and you must complete and mail to the Settlement Administrator a letter that includes the following:

- Your name, and current address and telephone number;
- The physical address of the property damaged, if different from your current address, and the identification of the earthquake(s) causing it to suffer damages.
- The name of the case (*Adams, et al. v. Eagle Road, et al.*, Case No. CJ-2016-00078);
- A statement that you want to be excluded from the Settlements; and
- Your signature.

You must mail your exclusion request, postmarked no later than **Month __, 2023** to:

Adams Class Action Settlement

Attn: Settlement Administrator

P.O. Box _____

City, ST _____ - _____

All Settlement Class Members who do not submit a valid Request for Exclusion will be included in the Settlement Class and will be bound by this Settlement Agreementss on the Effective Date. You may opt out of the Settlement Class only for yourself. So-called “mass” or “class” opt outs, whether filed by third parties on behalf of a “mass” or “class” of Settlement Class Members or multiple Settlement Class Members where no personal statement has been signed by each and every individual Settlement Class Member, are not allowed.

13. If I don't exclude myself, can I sue a Settling Defendant for the same thing later?

No. Unless you exclude yourself, you give up any right to sue Territory, Cummings, and Tarka for the claims that this Settlement resolves. If you have a pending lawsuit, speak to your lawyer in that lawsuit immediately.

QUESTIONS? CALL TOLL-FREE 1-XXX-XXX-XXXX OR VISIT [WWW.\[WEBSITE\].COM](http://WWW.[WEBSITE].COM)

You must exclude yourself from this Settlement Class to continue your own lawsuit against any of the Settling Defendants.

14. If I exclude myself, can I still get benefits?

No. You will not receive any benefits from the Settlement if you exclude yourself. If you exclude yourself from the Settlement, do not send in a Claim Form asking for benefits.

OBJECTION TO THE SETTLEMENT

15. How can I tell the Court if I do not like the Settlements?

Any Settlement Class Member who does not submit a timely and valid Request for Exclusion and who wishes to object to or oppose the approval of (a) the Settlement Agreements, (b) the Fees and Costs Applications, (c) the Incentive Award Applications, and/or (d) the proposed Final Approval Order shall file a written objection with the Court and serve it on the Parties at least ten (10) days before the Final Approval Hearing. The written objection must include:

- Your name, address and telephone number;
- The name, address, email address, and telephone number of your lawyer, if you have one;
- The name of the case (*Adams, et al. v. Eagle Road, et al.*, Case No. CJ-2016-00078);
- Proof of your membership in the Settlement Class;
- A statement of the reasons for the objection and any evidence supporting the objection;
- A statement regarding whether you intend to appear at the Final Approval Hearing; and
- Your signature and, if you have one, your lawyer’s signature.

Any Settlement Class Member who fails to file a timely written objection that meets the requirements of this paragraph shall be deemed to have waived such objection or opposition and forever shall be foreclosed from making such objection or opposition to the fairness, reasonableness, or adequacy of the Settlements, the payment of attorney’s fees, costs, expenses, and the incentive awards, or the Final Approval Order. Any Settlement Class Member who makes an objection shall submit to the jurisdiction of the Court and make himself or herself available for deposition by either Party within a reasonable time before the Final Approval Hearing.

Your objection, along with any supporting material you wish to submit, must be filed with the Court with a copy delivered to Class Counsel, Cummings’ Counsel, Tarka’s Counsel and Territory Resources’ Counsel postmarked no later than **Month __, 2023**, at the following addresses:

Clerk of the Court	Class Counsel	Defendant’s Counsel
Clerk of the Court District Court of Pawnee County 500 Harrison Street Pawnee, OK 74058	Scott Poynter Poynter Law Group 407 President Clinton Avenue Suite 201 Little Rock, AR 72201	J. Todd Woolery McAfee & Taft, P.C. 8th Floor, Two Leadership Square 211 N. Robinson Ave. Oklahoma City, OK 73102 Kenneth H. Blakley Edinger Leonard & Blakley, PLLC 6301 N. Western Ave., Suite 250 Oklahoma City, OK 73118 Charles D. Neal, Jr. Steidley & Neal, P.L.L.C. CityPlex Towers, 53 rd Floor 2448 East 81 st Street

16. What is the difference between objecting and excluding?

Objecting is simply telling the Court that you don't like something about the Settlement. You can object to the Settlement only if you do not exclude yourself from the Settlement. Excluding yourself from the Settlement is telling the Court that you do not want to be part of the Settlement. If you exclude yourself from the Settlement, you have no basis to object to the Settlement because it no longer affects you.

17. Do I have a lawyer in this case?

Yes. The Court has appointed the following lawyer, called "Class Counsel," to represent all Settlement Class Members: Scott Poynter of Poynter Law Group. You will not be charged for this lawyer. If you want to be represented by your own lawyer, you may hire one at your own expense.

18. How will the lawyers be paid?

Class Counsel will ask the Court to approve attorneys' fees not to exceed 40% of the total Settlement Fund, and reasonable litigation expenses not to exceed \$75,000.00. The Court will determine the amount of fees and expenses to award. Class Counsel will request the Court to pay \$7,500.00 from each Settlement amount contributed by the Settling Defendants as an incentive award in this Action for the Class Representative. The fees and expenses and service awards awarded by the Court will be paid from the Settlement Fund.

19. When and where will the Court decide whether to approve the Settlements?

The Pawnee County District Court will hold a Final Approval Hearing on **Month** __, 2023, at __: __.m. at the District Court of Pawnee County, Oklahoma State of Oklahoma, Courtroom **XXX**, before the Honorable Judge Patrick Pickerill, Pawnee County District Court, 500 Harrison Street, Pawnee, OK 74058.

The hearing may be moved to a different date or time without additional notice, so it is a good idea to check **www.[website].com** for updates. At the Final Approval Hearing, the Court will: (a) determine whether to grant final approval to the Settlements; (b) consider any timely objections to the Settlements and the Parties' responses to such objections; (c) rule on the Fees and Costs Applications; and (d) rule on the Incentive Awards Application. We do not know how long these decisions will take.

20. Do I have to come to the hearing?

No. Class Counsel will answer any questions that the Court may have. But, you may come at your own expense. If you send an objection, you don't have to come to Court to talk about it. As long as you mailed your written objection on time to the proper addresses, the Court will consider it. You may also pay your own lawyer to attend, but it's not necessary.

21. May I speak at the hearing?

Yes. You may ask the Court for permission to speak at the Final Approval Hearing. To do so, you must send a letter saying that it is your "Notice of Intent to Appear." In your letter, you must include the following:

- Your name, address and telephone number;
- The name, address, email address, and telephone number of your lawyer, if you have one;
- The name of the case (*Adams, et al. v. Eagle Road, et al.*, Case No. CJ-2016-00078); and
- Your signature and, if you have one, your lawyer's signature.

You must mail your Notice of Intent to Appear, postmarked no later than Month __, 2023, to all of the addresses in Question 15.

IF YOU DO NOTHING

22. What happens if I do nothing at all?

If you do nothing, you will not get any benefits from the Settlements. Unless you exclude yourself, you won't be able to start a lawsuit, continue with a lawsuit, or be part of any other lawsuit against Territory, Cummings, and Tarka about the legal issues in this case, ever again.

Scott Poynter, Partner
POYNTER LAW GROUP, PLLC

In August of 2015, Scott and Elizabeth Poynter formed Poynter Law Group with the purpose of helping people and businesses injured either financially or personally.

Scott has practiced law for more than 30 years. He received his law degree from the University of Arkansas in the fall of 1989.

He is a veteran; having served as a Judge Advocate in the United States Air Force and Air Guard for about thirteen years. Scott was involved in more than fifty jury trials while on active duty and within the Arkansas Air Guard.

After active duty, Scott focused his work on the representation of shareholders, employees, and consumers, mostly, in class action and mass injury litigation. In those complex cases, several federal and state judges across the Country appointed Scott to lead counsel and executive committee positions in cases of securities fraud, consumer fraud, and agriculture market losses involving rice, corn and other crops.

Scott's current practice is primarily focused on two major issues. In Arkansas, Scott represents over a hundred family-owned and independent pharmacies with businesses threatened by Pharmacy Benefit Managers and their unlawful practices. Scott, also licensed in Oklahoma, represents hundreds of Oklahomans suffering from earthquakes caused by oil and gas operations.

Pharmacy Benefit Managers (or "PBMs") are the middlemen between pharmacies and insurance companies, and for years they have abused Arkansas's independent pharmacies. Indeed, PBMs have forced many local pharmacists out of business.

In addition to representing hundreds of families with earthquake damages due to fracking waste disposal, Scott also represents the Pawnee Nation of Oklahoma and St. Gregory's University for such harms. Scott has been called the "pioneer" of induced seismicity cases, and further, that "he invented it." He has also been a guest of the Duke University and the University of Colorado to discuss induced seismicity and its resulting legal issues.
